PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday, 15th May, in the Old Farmhouse at 7.30 p.m.

Trees in the Village

Mr. K. Watkins, a resident of the Village, gave a talk to the Parish Council on the care/maintenance of trees. He explained his involvement with many tree planting schemes in other parts of the country and was prepared to give his advice on any future tree planting in the Village.

Provision for the Elderly

Councillor James had received approximately 50 completed questionnaires in response to his enclosure in last month's Bar Hill News. A further meeting would be held on 20th July for all those interested in volunteering their help for the Day Centre Scheme. The County Council would now be approached to ascertain likely funding towards setting up the Scheme.

Village Hall Loan

The Parish Council agreed to increase the loan offered to the Village Hall Management Committee towards the extension/alteration to the building to £25,000.

Viking Way

Councillor Green reported that the money for up-grading this road would be collected from the occupiers using the basis of their rateable value figure. It is hoped that liaison between the Parish Council and occupiers, to explain this, would commence within the next few weeks.

Bridleway/Footpath to Dry Drayton

Councillor Flanagan had now taken over this liaison from Councillor Hall. Councillor Flanagan had met with a County Council representative to look at the area concerned. The representative had said that monies to up-grade the paths could be matched against their budget, to enable the work to be done.

Village Maintenance

It was agreed that the Parish Council's Maintenance Worker would not be replaced at the present time and that the Contractor would be used for all Village Maintenance.

Mrs. C. McDermott,
Clerk to the Parish Council,
The Old Farmhouse,
Bar Hill.

PROVISION FOR THE ELDERLY

Your response to the questionnaire in the June issue of the Bar Hill News was indeed marvellous, nearly 50 forms were completed (of course some of these were joint husbands and wives). My very grateful thanks to Barbara, Anne and Jeanette at the Post Office for kindly handling all the questionnaires.

Generally speaking, your choices were as follows:

To meet once a week, food requirements, approximately 50% wanted this, definitely morning or afternoon teas. As regards the activities, a very large number supported afternoon tea dances, bingo, whist drives, and having visiting guest speakers (this was the biggest demand).

Many opted for local coach outings, plus theatre trips and Old Tyme Music Hall.

There were a whole variety of games requested, bowls, darts, keep fit, snooker, scrabble, quizzes, table tennis, cribbard and various others.

Other interesting ideas were crafts, singing, favourite poems - reading, etc.

One of the most important requests covered the availability of a wheelchair coupled with which, groups of people to do some visiting of the very elderly and house-bound.

Well now we have established what you would like to do the next stage is to call a meeting of those interested, so that we can form a committee to handle all the various activities. I feel that we will have no problems in this regard, so many have indicated how they would like to help and participate, so I suggest we all meet in the Farmhouse on Wednesday 12th July at 8 p.m.

In the meantime I will try and establish what funding is available to us from the Cambridgeshire County Council (through the medium of the Parish Council); obviously the size of the grant will give an indication as to how we can embrace all these activities and of course, where do we hold them? Venues at present on offer could be the church, village hall, school or the Farmhouse.

LOOK FORWARD TO SEEING YOU ON THE 12TH JULY ESPECIALLY THOSE WHOM WISH TO JOIN THE COMMITTEE/S.

Jimmy James (781124)

Expectant mums are very welcome as well - please either just come along on a Tuesday morning or give me a ring on C.H. 781977.

1st BAR HILL SCOUT GROUP

We now have enough leaders to start another Cub Scout Pack in September, if there are enough boys age 8+ to fill it. All boys on the waiting list of Cub Scout age should be accommodated in the existing two packs by the end of this year but we feel that there may be boys who felt it was not worth going on the list but would like to join now there is the opportunity.

If your son would like to join or go on the waiting list for the future, please can you let me have his name, address, telephone number and date of birth as soon as possible. I will take names from the age of 3 years but please notify me if you move. I would welcome a call to check that your son is accurately on the waiting list.

BAR HILL NATIONAL WOMENS REGISTER

Is it true that our weather is undergoing a major change at present? What effect is our modern way of life having on weather patterns and global temperatures? Will it be sunny in the Isle of Wight during the third week in August? Whether your interest in the weather is concerned with the future of the planet or what you should pack for your holiday, come and listen to Percy Ashman, Cambridge's weather man extraordinaire, when he speaks to NWR this month. If you're not an NWR member, but would particularly like to come to this meeting, please do so - we make a charge of 40p per meeting.

Dates of our meetings in July are as follows:

Saturday 1st July. Our Summer Social is a car rally, followed by a Pot Luck Supper. Starting point is 3 Almond Grove, any time after 7 p.m. Bring a bottle and some food to share.

Monday 10th July at 16 Acorn Avenue, 8.00 p.m.
Guest Speaker, Weatherman Percy Ashman.

Tuesday 25th July at 30 Hillcrest 8.00 p.m.
Should parents be prosecuted for the actions of their children? A discussion.

We're always delighted to welcome newcomers - our meetings are informal and we're a friendly lot, we hope! If you'd like to know more about NWR, or would prefer to come in company with someone rather than on your own please give me a ring. Chris Avery C.H. 781233
